EDUCATION

Information Technology (B.E)

Birla Institute of Technology, Mesra

08/2023 - 06/2017

Mesra, Ranchi

WORK EXPERIENCE

Engineer

HTC Global Services

08/2021 - Present

Bengaluru

Achievements/Tasks

- Involved in developing OIC integrations from scratch.
- Involved in Creating Custom error report and sending the report to the users using Callback Functionality.
- Created Integrations using FBDI Bulk import and send the notification to the users accordingly.
- Involved in Using OIC lookups to fetch the values from Legacy data and match it with the current COA values in oracle.
- Created Employee Integration using .dat file.
- Created BIP Report to fetch the values from Report and run the Report in OIC , in order to create .csv FBDI Files.
- Created Custom ESS Jobs for Few of the reports.
- Worked on EXP to AR Attachment Integration.
- Worked on Lockbox Integration to create lockbox receipts using Rest API through OIC

Programmer Analyst

Cognizant Technology Solutions

06/2020 - 08/2021

Bengaluru

Achievements/Tasks

- Experience in Modification of BIP Reports.
- Experience in retrieving the data through SQL queries and analyse the data and provide the input to the client, Experience in functional aspects of the Oracle Fusion Cloud.
- Experience in GL import using SOAP Webservice.

Analyst

KPMG Global Services

04/2018 - 04/2020

Bengaluru

Achievements/Tasks

- Developing Oracle Interfaces using BIP Reports.
- Involved in design, development & testing of oracle reports using BIP.
- Developed Inbound Integration to load the data through FBDI process.
- Involved In Creation Of Custom ESS job.

SKILLS

BI Publisher

Oracle Integration Cloud(OIC)

PROJECTS

RVOH (Implementation) (12/2023 - Present)

- Developed multiple interfaces on different Financial modules.
- Involved in giving demo to the clients directly.
- Involved in creating documents like MD.070 and TE.040
- Involved in creating BIP reports to use in OIC.

Project RVOH and MMSD (Implementation). (08/2021 - 09/2022)

- Involved in creating BIP Reports, OIC integrations(Gen3).
- Created OIC for multiple Modules like SCM/AR/GL.
- Created PNC Integration for SCM module , created receipt through OIC.
- Created Journals through FBDI bulk Import.
- Created AR Invoices through FBDI and send the notification to the users for error and success scenario.
- Created Employee through OIC using .dat file.
- Used OIC lookups to fetch the values from legacy and map it to current Oracle value.
- Used SOAP service to run the BIP Report in OIC.

Project Telenet (Support) (06/2020 - 08/2021)

- Oracle Fusion Cloud - Involved in One GL import using SOAP web-service, providing the support.
- Oracle Cloud Support in Release-9 On premise - To provide solution to client within the SLA's.
- Oracle Cloud Support in Release-9 On premise - Involved in Technical aspect to do modifications in the existing report based on the new change request.

Project Hormel Foods (Implementation) (02/2020 - 04/2020)

- Oracle Cloud implementation Project to develop Oracle Reports using BIP and creation of custom ESS Jobs.

Project Nebraska(Implementation) (04/2019 - 03/2020)

- Oracle Cloud Implementation Project to develop Inbound integration to load the data in oracle ERP cloud through FBDI load process for Suppliers
- Oracle Fusion Implementation Project to develop the Inbound Interface to send the data from one FTP to another.

Project Nebraska (Training) (09/2018 - 02/2019)

- Oracle Cloud Implementation Project Provided Technical Solution in terms of design, analysis, BI Reports and Develop AIC Interfaces.
